

Generic Disclaimer:

This document is offered by Nuvama Wealth Management Ltd along with its Group/Subsidiaries/Associates companies (Nuvama) and is being published for general information purposes only. This document does not constitute an offer or solicitation for the purchase or sale of any financial instrument or as an official confirmation of any transaction. This document is a compilation of data and substance from multiple sources which includes government and/or regulatory websites and other public sources and has only reproduced the information validated by the respective sources. Nuvama does not represent that the information is accurate or complete and it should not be relied on as such. The information given in this document pertains to data collected for preparing this document and is current and/or past as of the date and there can be no assurance that future results or events will be consistent with this information. Similarly, the information provided in this document is obtained from sources believed to be reliable but cannot be guaranteed as to the completeness, timeliness, adequacy, or accuracy of any information and Nuvama is not responsible for any errors or omissions, or the results obtained from the use of such information. Nuvama reserves the right to make modifications and alterations to this information as may be required from time to time. However, Nuvama is under no obligation to update or keep the information current. Nevertheless, Nuvama is committed to providing independent and transparent recommendations to its client and would be happy to provide any information in response to specific client queries. This document is intended for the information to the qualified investors only and not for a marketing or prospecting purpose and is not intended to be and must not alone be taken as the basis for an investment decision. The user assumes the entire risk of any use made of this information. Each recipient of this document should make such an investigation as it deems necessary to arrive at an independent evaluation (including the merits and risks involved) and should consult his advisors to determine the merits and risks. The views expressed may not be suitable for all investors. Additionally, any guest article or comments published in this document does not receive compensation in any form or type. Neither Nuvama nor any of its affiliates, group companies, directors, employees, agents, or representatives shall be liable for any damages whether direct, indirect, special, or consequential including lost revenue or profits that may arise from or in connection with the use of the information. The art and design style rendered in this document is a creative interpretation based on the content of the various articles and information generally available in the public domain and for representation purposes only. All trademarks and rights are acknowledged. This information should not be reproduced, redistributed or passed on directly or indirectly in any form to any other person or published, copied, in whole or in part, for any purpose. This document is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country, or other jurisdiction, where such distribution, publication, availability, or use would be contrary to law, regulation or which would subject Nuvama and affiliates/group companies to any registration or licensing requirements within such jurisdiction. The distribution of this document in certain jurisdictions may be restricted by law, and persons who possess such material should observe any such restrictions applicable to them. All copyrights of the publication are reserved by Nuvama and any copying and/or electronic transmission of the content of the document is a violation of copyright law. The views expressed in this document are those of the author and Nuvama and its group companies and associates do not constitute an endorsement of the author's views.
